Dear **Community**,

Planning for The Kiwanis Club Homestead/South Dade Dolphin Days Fishing Tournament has begun!

Please join us in representing and benefiting one of the oldest Dolphin Fishing Tournaments in the South Florida area. This year we celebrate 33 years of giving back to the community and to benefit our youth.

We are requesting sponsorships and donations from our valued business partners and the community. We would be pleased to have your name included among our many sponsors and friends supporting the event. We invite you to consider the benefits our tournament presents to your business and the community.

A list of organizations that the Homestead-South Dade Kiwanis Foundation supports are included in the pamphlet. These are local organizations in our area that primarily benefit children and other worthwhile causes. The Kiwanis Club's Annual Fishing Tournament is dedicated to helping and serving our community. Since the clubs inception in 1948, over **One Million** dollars has been raised and put back into the community.

Activities will begin on **Thursday June 15th, 2017** with the Captain's Party and final registration, which will be held at the Mutineer Restaurant in Homestead. The Fishing tournament will be held on **Saturday, June 17th, 2017** with the official weigh-in and awards ceremony to be held at Homestead Bay Front Park and Marina. What is Kiwanis?

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. Kiwanis members help feed the hungry, mentor the disadvantaged, develop youth as leaders, build playgrounds, raise funds for The Eliminate Project to eliminate Maternal Neonatal Tetanus (MNT), and much more. No problem is too big or small. Why? Because working together, members achieve what one person cannot accomplish alone. When you give a child a chance to learn, experience, dream, and succeed, great things happen!

Objectives of Kiwanis

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards
- To develop, by precept and example, more intelligent, aggressive, and serviceable citizenship
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining the sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
